A full attendance at this meeting would be greatly appreciated.

Pupils DO NOT need to attend this meeting.

Spring Fair

As you are aware our 'Spring Fair' is scheduled to take place this Thursday (27th April). Already items for our bric-a-brac stall are starting to come in and P.T.A. preparations are well underway. Could I take this opportunity to please remind you of the following:

- ⇒ We do plan again this year to have a bottle stall and pupils are asked to bring in one bottle for this stall, e.g. juice, sauce, vinegar, shampoo. Please make sure it has a good sell by date and remember No Alcohol
- ⇒ Back again this year will be the popular 'cake stall' and anyone looking for trays to put their goodies into can collect these from the school office
- ⇒ Finally help is still needed for Thursday so if you have a few hours to spare please contact the school or any member of the P.T.A. as soon as possible. We need 'all hands on deck' to set up before, during and after the fair. All help is greatly appreciated and we look forward to a great evening on Thursday! (Don't worry too much about the weather forecast as things look brighter towards the end of the week!)
- ⇒ Please be reminded that all pupils are finished school at 1:00pm on Thursday 27th April 2017
